Description SNMP: DGS-SVR is removed from hivision display after import the hivision ihp file, the DGS-SVR is removed from the display in ring1 ring2 20190328_YHW, following two issue need to be done. Ring2 also need updated in this new version 20190328_YHW, following two issue need to be done. Ring2 also need updated in this new version delivery 1.0.1 resolved this case. #5 Updated by mdj_20190531 For the moment we can not find a way to resolve this issue, since the monitor of dgs-svr is not important, we disable the snmp service temporarily until we find a solution, so the remaining monitor is only ping YHW_20190603_Validated_OK	
Related issues: Copied from Bug #18: SNMP: SAS1/2 SNMP V3 is removed
