Observation Phase:	System validation	Additional info.:	Zhouxuan_20220426_validate_ok_1.1.5
Visibility:	Internal	Delivered version:	
Scope:	Software		
Site:	China_Atos		

Description

The document under the same path cannot be executed twice in a row

1. Execute the attachment document, and the document is opened
2. Console reports an error, such as 1.png
3. Close the document and delete the folder generated under the corresponding path of the document,
4. The program selects the document under this path again and click Run. The program does not respond, but the document under other paths can be executed
