Description If there is no unit number or the unit number is replaced by 'x', it shall be modified and replaced with the correct unit number 1. for some alarm cards without unit number, add the corresponding unit number to generated ilv file according to the document name. 2. for some alarm cards that begin with X, X is a substitute name. It is necessary to replace the ilv file link of X according to the document name Zhouxuan_20220621_validate_ok_Als Tool 1.2.2
