#4 - 06/23/2022 05:21 PM - Anonymous

- Status changed from Opened to Completed

No problem, if the program recognizes that the cell where the logical picture is located has multiple lines of complex text (including text in the picture format), it will first report "The text in the cell where the logical picture located is complicated", and then judge whether the picture is complicated

#5 - 07/01/2022 10:26 AM - zhouxuan

- Description updated

- Status changed from Completed to Validated

- Additional info. set to Zhouxuan_20220701_validate_ok_1.2.5
